

The image shows a close-up of a mechanical assembly, likely a robotic gripper or a precision positioning stage. A thick, red, hand-drawn brushstroke line runs diagonally across the frame, from the upper left towards the lower right. On the left side of this line, there is a white rectangular box containing the text 'X軸' in red. On the right side of the line, there is another white rectangular box containing the text 'Y軸' in red. The mechanical components are made of polished metal, with visible screws and a circular pattern of holes on the top surface of the main block.

**X軸**

**Y軸**
